

IWA operates a High / Low Income Country classification. Individuals and Organisations from Low Income Countries – with a per capita income of less than US\$12,276 – will benefit from discounted membership fees. Individual and corporate members will receive a discount of up to 50%. Please note that the discount applies to membership fees only, and does not apply to other IWA products and services. Consult the list below to verify if you are from a High or Low Income Country.
